- As per the above the above table and values obtained we can say the concrete is in good condition in 1st and Ground Floor.
- Using the pulse velocity values only the concrete quality grading can be assessed.
- Since actual values of pulse velocity obtained depend on number of parameters any criterion for assessing the quality of concrete based on Table I can be held as satisfactory only to a general extent.
- The estimation of strength of concrete by rebound hammer method cannot be held to be very accurate and probable accuracy of prediction of concrete strength in a structure is ± 25 percent.

AUDIT REPORT OF KARNATAK LAW SOCIETY'S B.C.A COLLEGE FOR THE
YEAR ENDING 31st MARCH 2024.

TO THE CHAIRMAN

KARNATAK LAW SOCIETY

I have audited the attached Receipts and Payments Account and Income & Expenditure Account for the year ended on 31st March 2024 and the Balance Sheet as at 31st March 2024 of the Karnatak Law Society's B.C.A College, Haliyal. These financial statements are the responsibility of the Management. My responsibility is to express an opinion on these financial statements based on my audit.

I have conducted the audit in accordance with Auditing Standards generally accepted in India. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

I report as under:

1. I have obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purposes of the audit.
2. In my opinion, proper books of accounts as required by law have been kept so far as appears from my examination of the books.
3. The Balance Sheet, Income and Expenditure account and Receipts & Payments Account dealt with by this report are in agreement with the books of accounts.
4. In my opinion, and to the best of my information and according to the explanations given to me, the said accounts give a true and fair view:
 - i. In the case of the Balance Sheet, of the state of affairs as on 31st March 2024.
 - ii. In the case of the Income and Expenditure account, the Surplus for the year ended on that date
