A brief report of AI Powered Solution Expo

The **AI Powered Solutions Expo** was successfully conducted on 27/04/2026 at 2:00 PM for BCA students and lasted for two hours. The event was well-organized, and all students participated with great enthusiasm and discipline. A total of five groups took part in the competition: AI Architects with their project Smart Timetable Generator, Voice Tech Squad with Voice Detection and Pronunciation, AI Innovators with AI Facial Recognition, Bridge Way with their project Bridge Way, and 404 Brain Not Found with The Turing Test. Each group presented their projects effectively, and every member actively contributed to the presentation.

The judging criteria included innovation, problem-solving ability, AI implementation, technical quality and functionality, user experience, presentation impact, and feasibility. The event was judged by Mr. Niranjana Khot, Lecturer from KLS PU College, Haliyal, who conducted the evaluation very efficiently. The event was coordinated by Assistant Professor Pragati Lakkundi from KLS Degree College, Haliyal, and other faculty members also participated in the event. Overall, the event was successful, informative, and provided a great platform for students to showcase their skills and creativity in Artificial Intelligence.
