

# Techno Spark 2025

**Organized by:** KLS Degree College Haliyal  
**Event Name:** Techno Spark 2025  
**Event Type:** Technical, Cultural & Management Fest  
**Dates:** 14th & 15th November 2025  
**Venue:** College Campus

---

## Introduction

Techno Spark 2025 was a two-day inter-institutional fest conducted to encourage innovation, technical expertise, creativity, and managerial skills among students. The event brought together **PUC and Degree students** from various locations including **Dandeli, Haliyal, Yellapur, and Alnavar** to participate in a wide range of technical, cultural, and business activities.

---

## Objectives of the Event

- To provide a platform for students to showcase technical and creative talents
  - To enhance coding, analytical, and presentation skills
  - To encourage teamwork, leadership, and managerial abilities
  - To promote cultural expression and stage confidence
  - To connect students with industry experts and emerging technologies
- 

## Inaugural Function

The inaugural ceremony was graced by distinguished guests from Infosys, Hubballi:

- **Chief Guest:**  
Shivanand Kudalmat – Senior Engineering Manager
- **Guests of Honour:**  
Manohar R – Principal Consultant (AI Professional)  
Raghavendra B. Nakod – Lead Consultant, 5G & 6G Specialist

The program commenced with a warm welcome by **Meenaz Shaikh**, Event Coordinator.  
The **Presidential Remarks** were delivered by Principal Shri Shrinivas Prabhu,

The ceremony concluded with a **Vote of Thanks** by **Nizba Shaikh**, Final Year BCA student.

## Events Conducted

A variety of events were organized to cater to different talents and interests:

Category	Events
Technical	Coding Competition, Debugging Contest, Technical Quiz, PPT Presentation
Business & Management	Business Idea Presentation, Marketing Challenge
Cultural	Cultural Dance Competition, Country Traditional Representation
Fun & Engagement	Online Games for Students

---

## Participation

- Participants included **PUC and Degree students**
  - Students represented institutions from **Dandeli, Haliyal, Yellapur, and Alnavar**
  - The event witnessed enthusiastic participation and competitive spirit throughout the two days
- 

## Highlights of the Event

- Insightful address by industry experts from Infosys on AI, 5G, 6G, and career opportunities
  - Excellent display of coding and debugging skills by students
  - Creative business and marketing ideas presented
  - Energetic cultural performances and confident ramp walk presentations
  - Active involvement of student volunteers and smooth coordination by faculty
- 

## Outcome of the Event

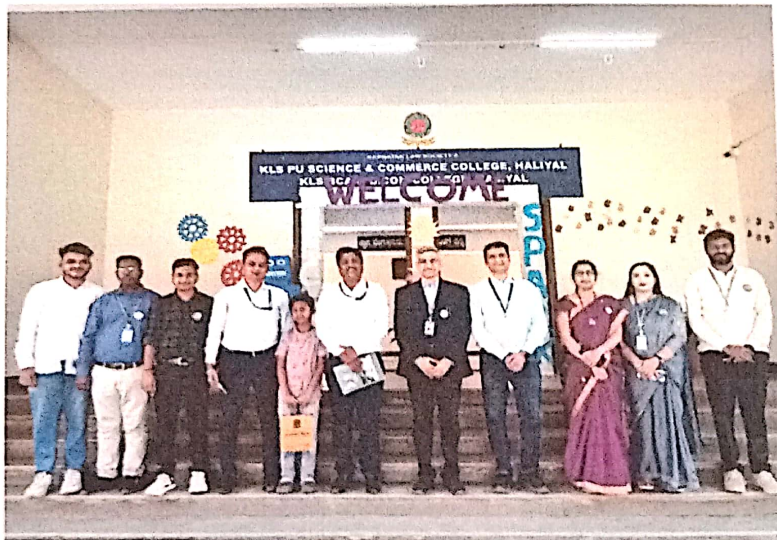

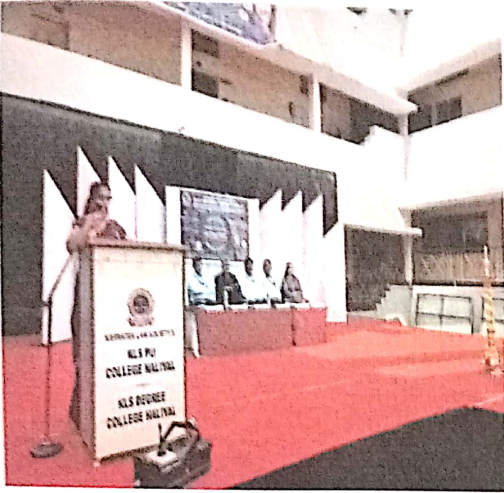

- Students gained exposure to real-world technologies and industry expectations
  - Improved technical, managerial, and communication skills
  - Boosted confidence through stage performances and competitions
  - Strengthened inter-institutional interaction and collaboration
- 

## Conclusion

Techno Spark 2025 was a grand success, achieving its objective of integrating **technology, management, and culture** into a vibrant learning experience. The presence of esteemed industry professionals, active participation from students across regions, and dedicated efforts of the organizing team made the event memorable and impactful.
