Report on HackFusion 2026 (24-Hour National Level Hackathon)

Event Name: HackFusion 2026

Organized by: KLS Vdit, Haliyal

Dates: 10th and 11th April 2026

Duration: 24 Hours

HackFusion 2026 was a 24-hour national-level hackathon organized by KLS Vdit, Haliyal. The event brought together students from various institutions to showcase their technical skills, creativity, and problem-solving abilities in a competitive environment.

Students from the BCA department (4th and 6th semesters) actively participated in the hackathon. A total of two teams represented from our KLS Degree College Haliyal institution. Team details,

Team 1 Members:	Team 2 Members:
Monika	Shreya
Ayan	Swati
Gilchrist	Nagashree
Bushra	Ajay
Archana	Prem

The hackathon challenged participants to work continuously for 24 hours to develop innovative solutions for real-world problems. Both teams demonstrated strong teamwork, dedication, and technical knowledge throughout the event. They successfully executed their tasks within the given time frame.

Through participation in HackFusion 2026, students gained valuable experience in:

Problem-solving techniques

Team collaboration and coordination

Time management under pressure

Practical application of programming skills

Innovation and idea development

All participants received participation certificates for successfully completing the hackathon.

The event was coordinated by Prof. Varun Patil, who guided and supported the students throughout the participation process. The registration fees for the hackathon were paid by Prof. Varun Patil via PhonePe, with the following details:

Team 1: ₹1250

UTR No.: 610040692373

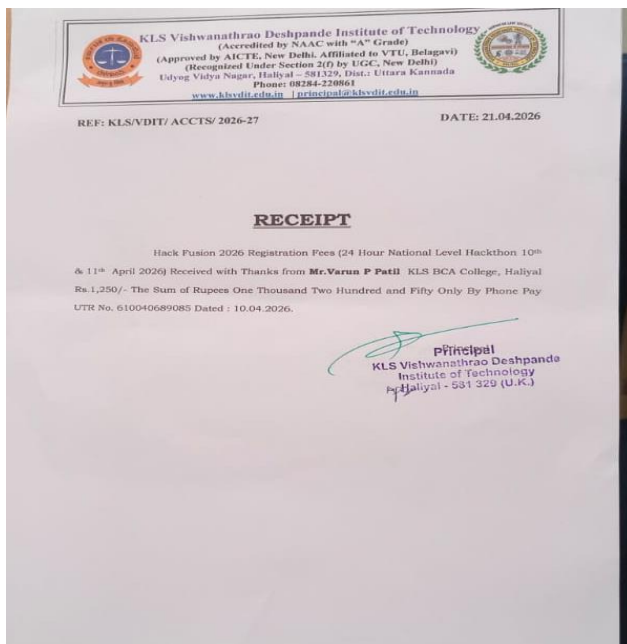

Team 2: ₹1250

UTR No.: 610040689085

Total Amount Paid: ₹2500

The receipts for the above payments are attached along with this report, along with event photographs.

The participation of our BCA students in HackFusion 2026 was a valuable learning experience. Both teams put in significant effort, successfully completed their tasks, and enhanced their technical and analytical skills. Such events play an important role in developing confidence and preparing students for real-world challenges.
