Annual Report on IIC Activities 8.0

Reporting Period: 1 September 2025 to 31 August 2026

K.L.S Degree College, Haliyal, through its Institution's Innovation Council (IIC) implemented a comprehensive range of activities during the academic year 2025-26 in accordance with the prescribed IIC calendar and its institutional objectives. The activities to promote innovation, entrepreneurship, research, skill development, and social responsibility among students and faculty members.

A total of **38 activities** were conducted under four categories: IIC Calendar Activities, Celebrations, Self-Driven Activities, and R&D Cell Activities.

The **Four IIC Calendar Activities** focused on startup finance, fundraising, investor pitch preparation, AI-powered solutions, Industry 4.0 prototypes, and startup exhibitions. These initiatives encouraged students to develop entrepreneurial skills and showcase innovative ideas.

The **Six Celebration Activities** commemorated important national and international occasions, including National Education Day, National Entrepreneurship Day, International Women's Day, World Environment Day, World Entrepreneurs Day, and the fifth anniversary of the National Education Policy (NEP) 2020.

The **26 Self-Driven Activities** covered a wide range of areas, including soft skills, interview preparation, artificial intelligence, health and wellness, career guidance, industrial exposure, internships, financial fraud awareness, social responsibility, legal awareness, and personal development. Activities such as the District Outreach Programme – Nidhi Aapke Nikat 2.0, incubation industry exposure, and the product-oriented competitions provided students with opportunities for experiential learning and practical engagement.

The **R&D Cell** conducted **two major activities**, namely the Faculty and Student R&D Orientation Programme and the Annual Research Conclave/Symposium. These initiatives aimed to strengthen research awareness, encourage academic collaboration, and promote a research-oriented culture within the institution.

Overall, the IIC activities conducted during 2025–26 contributed to fostering an innovation-driven ecosystem, enhancing entrepreneurial capabilities, promoting research and development, and supporting the holistic development of students.

The council remains committed to nurturing creativity, practical learning, and entrepreneurship in alignment with the objectives of the Institution's Innovation Council and NEP 2020.
