**PARENT-TEACHER MEETING REPORT 2026**

**Date:** 7 October 2026 (Wednesday)

**Time:** 2:00 p.m.

**Venue:** College Seminar Hall

**Master of Ceremony:** Prof. Shantaram Chibulkar

**1. Proceedings of the Meeting**

The Parent-Teacher Meeting of K.L.S. Degree College was held on 7 October 2026 at 2:00 p.m. in the College Seminar Hall. The meeting was organized to discuss students' academic progress, attendance, discipline, personality development, and overall performance, and to strengthen cooperation between parents and teachers.

The meeting began with a welcome address by Prof. Shantaram Chibulkar, who welcomed the parents, the Principal, the Principal Designate, and all staff members. He explained the importance of the meeting and encouraged parents to actively participate in discussions concerning their children's academic and personal development.

**2. Academic Progress and Performance**

Mrs. Deepa Naik presented the academic progress and performance of the students. She highlighted the importance of regular attendance, punctuality, academic discipline, and active participation in classroom activities. Parents were encouraged to monitor their children's academic progress and maintain regular communication with the college.

**3. Introduction of Staff Members**

All staff members introduced themselves and briefly explained the subjects they teach, the classes they handle, and their additional responsibilities in the college. This interaction helped parents become familiar with the faculty members and their roles in guiding and supporting students.

#### **4. Address by the Principal Designate**

The Principal Designate addressed the gathering and emphasized the importance of discipline, regular attendance, academic commitment, and parental involvement in students' education. Parents were encouraged to cooperate with the college in ensuring the overall development of students.

#### **5. Parents' Suggestions, Queries and Responses**

The following points were raised by parents during the interactive session:

##### **1. Punctuality and Late Arrival to Classes**

One of the parents suggested that students arriving late to class should not be permitted to enter, in order to maintain punctuality and discipline.

**Response by the Principal:** The Principal explained that some students commute from Dandeli and occasionally face delays due to bus-related issues. If such students are sent back, they may miss the entire day's classes, resulting in a loss of learning opportunities. Therefore, the matter needs to be handled practically while also encouraging students to maintain punctuality and discipline.

##### **2. Personality Development and Skill Development Programmes**

A parent enquired about the measures taken by the college to improve students' personality development and whether special classes were conducted for this purpose.

**Response by the Placement Officer:** Mr. Varun Patil, Placement Officer, explained that the college regularly conducts workshops and skill development programmes to improve students' communication skills, confidence, employability, and overall personality. These programmes help prepare students for future career opportunities.

#### **6. Addressing Parents' Queries**

The Principal addressed the queries and doubts raised by parents and provided the necessary clarifications. The discussion helped improve mutual understanding between parents and the college administration.

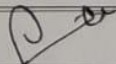

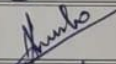

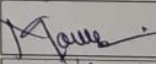

#### **7. Conclusion and Vote of Thanks**

Prof. Shantaram Chibulkar delivered the closing remarks, summarized the key points discussed, and expressed gratitude to the parents, the principal, the Principal Designate and all staff members for their participation and cooperation.

The meeting concluded on a positive note, with an emphasis on continued cooperation between parents and teachers to improve students' academic performance, discipline, punctuality, and overall personality development.
