REPORT ON STREET PLAY ON "WOMEN'S SAFETY"

Date: 8th September 2026

Venue: Near Tahsildar Office, Haliyal

Organized by: Final-Year BCA and B.Com Students

In association with: Haliyal Police Department

As part of **TechnoSpark 2026**, K.L.S. Degree College, Haliyal organized a **street play (Bidi Natak)** on the theme **"Women's Safety"** on **8th September 2026** near the Tahsildar Office and Police Station, Haliyal. The programme was conducted with the valuable **support and cooperation of the Haliyal Police Department**.

The objective of the programme was to create awareness among the public about **women's safety, challenges faced by women, self-protection, government safety measures, emergency assistance, and the role of technology in ensuring women's security.**

First Skit – Presented by B.Com Students

The first skit was presented by the **Final-Year B.Com students**. It portrayed the story of **Sneha**, a girl from a financially disadvantaged family who works hard to achieve her dream of securing an **MBBS seat**.

Despite facing financial difficulties, Sneha succeeds through her dedication and begins her medical education. During her studies, she becomes emotionally involved with a person named Rahul. The situation later turns tragic when she becomes a victim of an **acid attack**, ultimately leading to her suicide.

The skit highlighted the serious consequences of **relationship-related violence, harassment, acid attacks, emotional distress, and the importance of seeking timely help and support**. It conveyed a strong message about the need for awareness, safety, responsible behaviour, and support systems for women facing threats or abuse.

Second Skit – Presented by BCA Students

The second skit was presented by the **Final-Year BCA students** and focused on the role of **technology in women's safety**.

The skit portrayed the story of **Shreya**, a bright student who achieves excellent marks in engineering and secures a good placement. Her parents are happy about her achievement, but her mother initially worries about sending her to a city for employment. Her father encourages and convinces her mother to support Shreya's career.

After working for a year, Shreya receives a promotion. She happily informs her parents about her achievement, and they celebrate her success over a phone call.

Later, while returning after an office celebration, Shreya faces an attack and harassment by a group of miscreants. In this critical situation, she uses the **Suraksha safety application**, which enables her to seek emergency assistance and share her location. The police receive the location information, respond to the situation, and **arrest the accused persons**.

The skit demonstrated how **technology and emergency safety applications can help women seek immediate assistance during dangerous situations**. It also emphasized the importance of being aware of available safety services and knowing how to use them effectively.

Women's Safety Awareness Session

Following the skits, the students conducted an awareness session for the public and explained various **women's safety measures, government initiatives, emergency services, safety applications, and facilities available for women's protection**.

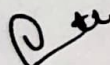

The students encouraged women and the general public to remain alert, understand their rights, use available emergency services, and immediately report incidents of harassment, violence, or threats to the concerned authorities.

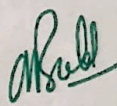

The programme received valuable **support and cooperation from the Haliyal Police Department**, whose presence and guidance strengthened the awareness initiative.

Conclusion

The street play successfully conveyed important messages regarding **women's safety, social responsibility, prevention of violence, self-protection, and the effective use of technology and government support systems**.

The initiative provided students with an opportunity to use their creativity and communication skills for a meaningful social cause while creating awareness among the public. The programme was successfully conducted with the active participation of the **Final-Year BCA and B.Com students** and the support of the **Haliyal Police Department**.
